नमस्तस्यै नमस्तस्यै नमस्तस्यै नमो नमः॥

Dear Members,

Every year, I am reminded of how special our Bangiya Parishad Toronto (BPT) community is—a place where culture, tradition, and friendship come together, and where people of all ages can celebrate our heritage while creating lasting memories. Your enthusiasm, participation, and support are what bring our community to life.

This past September, our annual fundraising event was a tremendous success. The generosity of our members and friends made the evening both memorable and impactful. The proceeds will directly support upgrades to the Tagore Centre, including improvements to make our space more accessible and welcoming for everyone with different program and events.

I sincerely thank all our volunteers, donors, and members whose dedication makes every celebration and initiative possible. With your support, we continue to enhance the Tagore Centre as a space where our traditions and celebrations can flourish.

Looking ahead, the excitement of Durga Puja fills the air. From October 3rd to 5th, the Tagore Centre will come alive with prayers, performances, and joyous celebrations. Beyond Durga Puja, we look forward to Lakshmi Puja, Kali Puja, and many more events throughout the year—each offering opportunities to connect, celebrate, and share the richness of our culture.

Thank you for being an integral part of this journey. Let's continue to celebrate, grow, and share our culture with pride—together.

With warm regards,

Kalyani Saha

FCCP (USA), FACC (USA)

An Artist Cardiologist

Dr Sanjib Mukherjee set his foot in Canada in 1968 and was working as an intern in the Royal Alexandra Hospital in Alberta. After completing his two years of residency there, he passed his FRCP from the University of Alberta in the very first attempt. Thereafter he was working in City of Timmins in Ontario for almost six years. He decided to then go back to India only to return to Canada in 2003. He worked in Saulte Ste Marie for 10 years as a Cardiologist. Subsequently he arrived in Toronto in 2013 to join The Healthy Way Medical Diagnostic Centre where he works as a HOD till today heading a team of nine Cardiologists. He has decided to cut his workload considerably and now goes there once a week.

While in India he trained under the tutelage of Ashish Bhattacharya the Principal and Director of Gitobitan, learning Rabindra Sangeet for almost 15 years. He had also trained with Rano Guhathakurta, who was the head of Dakhini in Kolkata for more than 5 years. After coming to Toronto by his own admission his pursuit of music 'got somewhat disrupted'. But being an avid musician, he joined a local musical group named Gaaner Adda where he continued learning music under the direction of Manasi Adhikari from 2013 to 2023. He was an active member of Rotary Club in India and was involved in numerous musical shows. He is also a theatre lover and has directed several plays mostly based on Tagore.

He was introduced to Bangiya Parishad Toronto the erstwhile PBCA through a friend where he was persuaded by the then existing members to stand for election which is a norm to elect Board Members democratically followed till today. He was elected as a Vice President and within one year became the president of PBCA. In the ensuing elections he was re-elected as the President, and he contributed significantly to establishing the reputation of PBCA. He was the chief architect in amalgamating BPT and PBCA and merging them into one organisation presently known as Bangiya Parishad Toronto (BPT). He considers that this act as his personal achievement. He feels that this merger has ushered in seamless and hassle-free decisions due to the existence of one President which has made decisions regarding the Board relatively easy. His personal ambition is to open a music education centre where Bengali Music primarily Rabindra Sangeet where local talents can be nurtured and identified. He would also like to organise events like Baishakhi Mela, Posh Mela etc. so that the rich Bengali cultural heritage can be preserved and promoted in the region. He signs off by saying 'I really dream to see our Bengali cultural flag flying high and if I could be a clog in the wheel in spreading this awareness that would make me extremely happy'.

চাকরি

আশিষ্ণ ঘোষ

লেখাপড়া শেষ কইরেছ, বেশ কইরেছ— চাকরী আবার কি?
শোনো, কিছু বুলি শেখো আমার, দেয়ালে নাম লেখো আমার,
জমি দখল, মিছিল করো - মোটা - মোটা পাবে ফি!!
দেখো, আমার বাড়ি আছে, গাড়ি আছে, ভেড়ি আছে,
থানাতে বেশ খাতির আছে - 'থুড়ি'
সমাজে খুব খাতির আছে - তোমার আছে কি?
বলি, পুঁটি আমার একটি মেয়ে, বর খুঁজছি তার
তুমি জামাই হলে সবাই করবে নমস্কার ॥
তুমি জলপানি পড়ায় পেলে, হালে পানি কোথায় পেলে!
মাস্টর তোমায় করবো ইস্কুলে - রাজী আছে কি?
ধনেমানে বাঁচো প্রাণে, না হয় যাও জাহান্নামে - আমার তাতে কি??

বিড়ালের দুঃখ

আশিষ্ণ ঘোষ

তোমরা সবাই ছুটি বেড়াতে গেলে।
আমি ময়লাতলায় অনাহারী, শুকিয়ে মরি
যাওনি কিছুই ফেলে ॥
আমি বাঘের মাসি!
পাচ্ছে হাসি - সত্যি যদি হতো ,
বাঘের মতো আমাদেরও প্রকল্প ঠিক হতো ।
বাচ্চাগুলো ভুখা থেকে মরত না অকালে ॥
ষষ্ঠী মায়ের বাহন যদি সত্যি হতাম আমি
তুষ্টি করে রাখতে আমায়, পেতাম প্রণামী ॥
তোমরা যখন গভীর সুখে ঘুমিয়ে নাক ডাকো,
আমি তখন হলের ভয়ে মোটেই ঘুমোই নাকো ।
তবু কানা খুড়ির হয়না মরণ -
দেখতে পেলেই যখন তখন
যা খুশি তাই বলে— আমার গায়েতে জল ঢালে ॥
